KTM COLLEGE OF ADVANCED STUDIES

KARUVARAKUNDU

EXTENTION ACTIVITIES

2019-20

EDUCATIONAL SURVEY IN THE SC COLONY

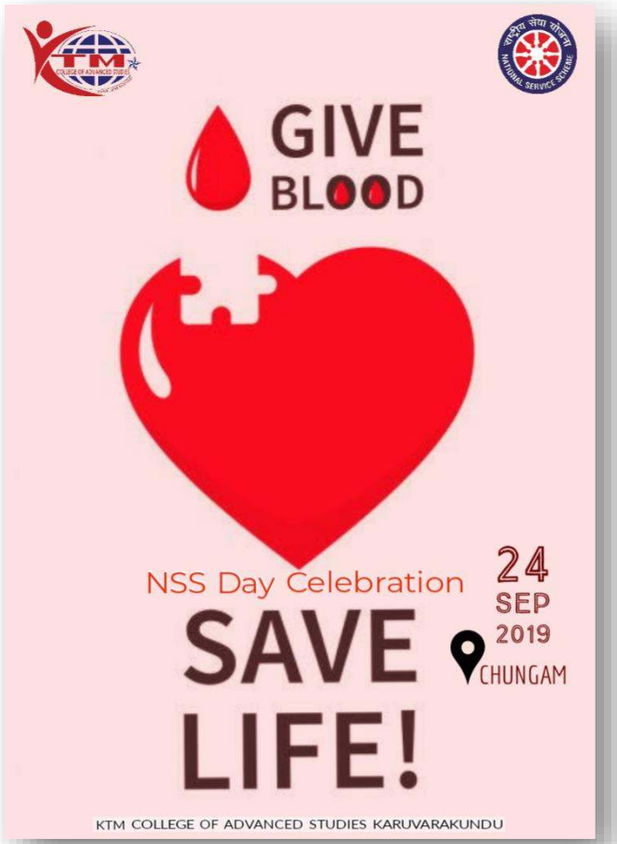

With the objective of reaching out to the people, the college, with the help of its NSS unit conducted an educational survey in the nearby SC colony on 8th February 2020. A questionnaire seeking information about the basic familial, social and educational background of families in question was prepared and distributed in the colony by the 13 NSS volunteers. The volunteers helped the heads of families in responding the queries therein. Prof. Muhammed Musthefa, the NSS program officer coordinated the total survey and related works.

AWARENESS CLASS ON COVID 19

The nss unit of ktm college of advanced studies organised an awareness class on 2nd march 2020 based on covid 19 in chungam junction and market area to educate the general public regarding the corona virus pandemic. The class was inagurated by the principal prof: abdul majeed k k and the welcome speech was proposed by muhammed musthafa mk, nss programme officer. Mr: hussainar m led the class and gave an elaborate description about the history, causes, symptoms of covid-19, and suggested the meassures to be adopted for its prevention. He made the people aware about the symptoms of covid 19 such as cold, dry cough, breathing problem and head ache. The programe found beneficial as it targeted the rural popultaion against the health hazards of covid 19. Mr:aboobacker p u remarked the gratitude for the programme

‘GIVE BLOOD, SAVE LIFE’

The NSS Unit of KTM College of Advanced Studies conducted NSS Day celebration on 24th September 2019. As a part of the celebration they conducted a blood donation camp with the title ‘Give Blood, Save Life’, in the nearby town Chungath. The program started with NSS song followed by the welcome speech of NSS programme officer Dr. Mohammed Aslam N.K, and the program was inaugurated by the principal Prof. Abdul Majeed K.K. 75 students and many people from the area participated in the program. NSS secretary Salman Faris CP delivered vote of thanks.

FOOD DISTRIBUTION

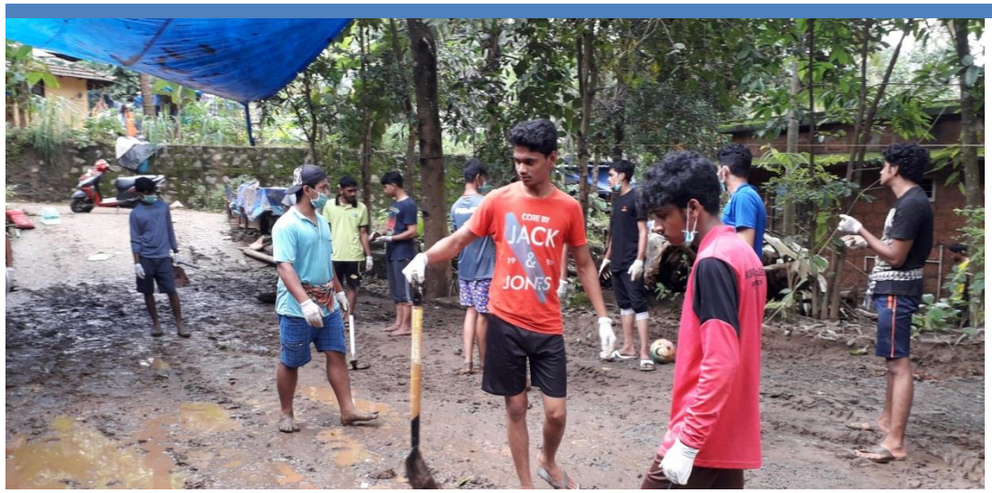

The NSS Unit of KTM College of Advances Studies distributed food in the houses of unskilled labourers (jobless due to Covid-19 lockdown) on 31st march 2020. Exhorted by the NSS program officer, students of all the classes contributed to the fund, according to their might. Following the proper health protocol, four or five selected volunteers distributed the kit in the concerned houses in the neighbourhood of the college. Prof. Muhammed Musthefa, the program officer oversaw this humane deed.

FLOOD RELIEF 2019

The NSS Unit of KTM College of Advanced Studies undertook cleaning activities in flood affected area nearby the college on 16th august 2020. The Unit singled out Panthara village of Karuvarakundu Panchayath (one of the worst affected villages in 2019) as the site. Many houses in the area were devastated or defiled due to incessant rain and landslide. The Programme Officer Muhammed Musthefa coordinated the whole activities of cleaning. 29 volunteers, both boys and girls took part in the activity. The volunteers came to the campus with cleaning materials available at home, and set out from the college at 8.30 am. They spend a whole day cleaning and sanitizing around 10 houses. The volunteers were very much pleased for being able to exhibit the real spirit of an NSS volunteer.

CLEANING WORK AT FLOOD AFFECTED AREA

The NSS unit of KTM College of Advanced Studies took part in the cleaning work on 15th August 2019 at the landslide hit Kavalappara (took place on 8th August 2019; death toll over 60). The volunteers set out from the campus along with the Program officer Prof. Muhammed Musthefa K, in the morning and joined with many other volunteers and activist in a full-day cleaning work. It was an unforgettable experience for them that they could render a selfless service for the fellow being who have been subjected to ineffable natural calamity. 26 volunteer actively participated in the cleaning work.

PUNNAKKAD LIBRARY CLEANING

NSS Unit of KTM College under took a cleaning mission at Punnakkad Public Library on 2nd October 2019, as part of Gandhi jayanthi celebration. Serving the nation and doing good for humanity is a token of love and gratitude towards the father of our nation- a man who dedicated his whole for his countrymen. 36 NSS volunteers along with the program Officer participated in this full-day cleaning program.

MASK AND NOTICE DISTRIBUTION

NSS Unit of KTM College of Advanced Studies distributed mask and notice to the public in wake of increasing number of corona cases reported from India, on 4th March 2020. To edify the public about the deadly epidemic corona and its causes, consequences and preventive measures is very essential. The volunteers went to the nearby Punnakkad town strictly following the health protocol, and distributed masks to people who ever found there without mask. They also distributed notice to public detailing the causes, symptoms and preventive measures against corona. The Program officer Prof. Muhammed Mushefa K coordinated the total program.

BREAK THE CHAIN

NSS Unit of KTM College of Advanced Studies set up sanitizer points at Chungam, Punnakkad and Kizhakkethala, the three nearby towns, on 4th March 2020. Regular sanitization of hand is very essential to prevent the spread of the Covid-19 virus; to set up such facilities in the public places will help and motivate people to do so. The program Officer Prof. Muhammed Mushefa K joined hand with his volunteers and coordinated all things.

HOUSE FOR THE WIDOW

During the academic year 2019-20, the NSS Unit of KTM College carried out a very commendable deed of building a house for a poor widow. The young lady, widowed at a young age and mother of two small children, found it hard to make the both ends meet. Residing in the nearby village Kalvettykural, the volunteers happened to notice her plait, and came up with this idea. What is more appreciable here is that not only did the volunteers collect fund for the house but they rendered their physical service also during the construction work on several days.
