# Student Feedback on "Syllabus and its Transactions"

## 2021-2022

The report provides an overview received from students regarding the syllabus and its transactions at KTM College of Advanced Studies, Karuvarakundu. The students responses regarding theses aspects has been positive and above satisfactory.

Majority of the students expressed a high level of satisfaction with the overall design and implementation of the syllabus. They acknowledge the syllabus for its relevance, comprehensiveness, and alignment with their educational goals. The following are the major highlights of the feedback.

- The outcomes of the courses are appropriate
- Sufficient reference materials are available
- The curriculum meets the industry requirements
- There is a sequence between the courses
- The courses help to upskill the students

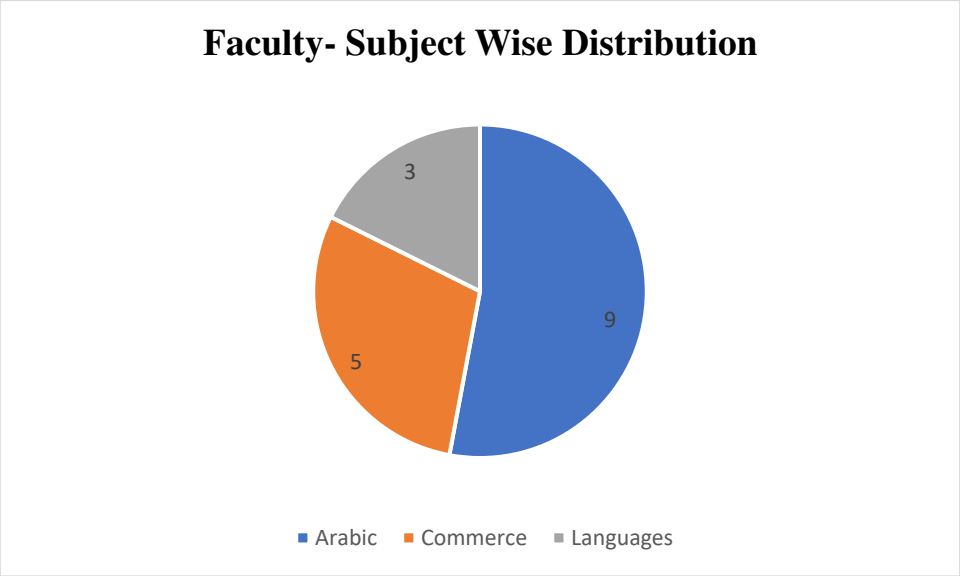

Even though a large group of students are satisfied with the syllabus and its transactions, there are some feedbacks received from students that they are not fully satisfied with the system. The academic monitoring cell must address the issues raised by the students and has to take appropriate actions.
