(For B.A First Year Students)

Department of Arabic

KTM College of Advanced Studies

(Aided by Govt. of Kerala and Affiliated to the University of Calicut)

Accredited by NAAC with 'A' grade

Program Description

Bridge Course helps students to make a successful transition into their new academic programs by providing them with the necessary background knowledge about the topics that will be covered in their new courses. In addition, Bridge Courses can also help students to develop the skills and abilities that they need to succeed in their new academic programs.

There are many different types of bridge courses available, and they can be designed to meet the needs of individual students. Some courses focus on preparing students for a particular subject, while others offer workshops or classes that cover study skills and time management techniques.

Bridge courses may also provide additional support through tutoring or mentoring programs. Taking a bridge course can help students better understand the expectations of their new academic level and make a smooth transition into their new program. Bridge courses can also help students to build confidence and develop new skills that will be useful in their future studies.
