**KTM COLLEGE OF ADVANCED  
STUDIES, KARUVARAKUNDU**

---

# **VISION 2024 STRATEGIC PLAN**

**KTM College of Advanced  
Studies**

**Karuvarakundu, Malappuram, Kerala**

**Affiliated to the University of Calicut and  
Aided by the Govt. Of Kerala recognized by UGC**

## **INTRODUCTION**

KTM College of Advanced Studies, formerly Darunnajath Arabic College Karuvarakundu is one of the pre-eminent institutions run by Karuvarakundu Darunnajath Islamic Centre (Estd.1976), the educational agency which has made substantial contributions towards re-writing the educational and social profile of the East Malabar region. The College took inception in the year 1995. The college also holds the privilege of being the first ever oriental college to be recognized under 2(f), 12(B) Act of the UGC. The College was accorded minority status by the Ministry of Minority Affairs, Govt. of India in 2012 and accredited NAAC with A Grade in 2022. Located in a serene and sylvan ambience overshadowed by the majestic Western Ghats, in Karuvarakundu Grama Panchayat of Malappuram district, KTM College of Advanced Studies is ideally suited for academic and allied pursuits.

## VISION

To mould a generation imbued with human values and equipped with the necessary skills and competence to face the challenges of the changing world.

## MISSION

- Anchoring in the noble ideals of diversity and pluralism, the College strives to make the reach of its academic activities available to all the sections of the society, especially the marginalized and needy.
- To innovate the teaching-learning methods in tandem with the developments in the digital and information technology.
- To implant human, humane, patriotic and environmental values in students so as to make them socially committed and deeply responsible citizens.

The IQAC in consultation with the management and the College council drew up a **strategic plan** for the period 2023-2024. The plan drawn up is discussed under the following heads;

## **Academic**

The college has drafted a detailed plan for the academic improvement. As per the plan, it is resolved in the combined meeting of the IQAC and management to start new programs in humanities and science. It has also been planned to digitize and make the most of information and communication technology and the vast possibilities of AI to revolutionize teaching – learning process. Publication of the online research journal KTYLIST in print version is also planned by the college.

## **Structural**

strategy is devised for the merger of college with the self-financing college being run by the same management. Meaningful efforts are afoot to change the college in to an autonomous institution.

## **Infra structural**

The college has drawn up plans for erecting a spacious multi-storied building in the property in its possession in the proximity of the present campus. Along with this the institution is planning to expand infra structural facilities in the present campus to house a digital laboratory and class rooms in accordance with the growing student's strength. The major projects under consideration are:

- A new academic block
- Recreation room for teachers
- Men's hostel

## **Community outreach**

The college has resolved to widen the scope of its community outreach programs by covering newer areas and yet to be covered sections of the society. The major programs envisaged for the upcoming year are:

- Community Digital Empowerment program.
- House construction for the homeless.
- Academic uplift of the orphan and destitute students.
- Malayalam literacy to the migrant labours.
- Educational help to the residents around the college.

## **Environmental**

Environmental strategies for the coming year:

- Expansion of solar energy projects
- Waste management innovations
- Water recycling projects
- Setting green building standards
- Campus forestation programs
- Paddy seed bank
- Green citizen programs
- Promotion of agroforestry

## **The Thrust Areas of Vision 2024 Were:**

- Getting autonomous status.
  - Obtaining an impressive rank in NIRF.
  - Shifting the college to another spacious campus
  - Establishment of skill development centre.
  - Up gradation of the remaining departments as research centers.
  - Introduction of new gen programs
  - Infrastructural and library expansion
  - Office automation
  - Ramp up of sports and recreational amenities.
-
