

VISION 2022

STRATEGIC DEVELOPMENT PLAN

KTM College of Advanced Studies

Karuvarakundu, Malappuram

INTRODUCTION

KTM College of Advanced Studies, formerly Darunnajath Arabic College Karuvarakundu is one of the pre-eminent institutions run by Karuvarakundu Darunnajath Islamic Centre (Estd.1976), the educational agency which has made substantial contributions towards re-writing the educational and social profile of the East Malabar region. The College took inception in the year 1995. The college also holds the privilege of being the first ever oriental college to be recognized under 2(f), 12(B) Act of the UGC. The College was accorded minority status by the Ministry of Minority Affairs, Govt. of India in 2012. Located in a serene and sylvan ambience overshadowed by the majestic Western Ghats, in Karuvarakundu Gramma Panchayat of Malappuram district, KTM College of Advanced Studies is ideally suited for academic and allied pursuits.

VISION

To mould a generation imbued with human values and equipped with the necessary skills and competence to face the challenges of the changing world.

MISSION

- Anchoring in the noble ideals of diversity and pluralism, the College strives to make the reach of its academic activities available to all the sections of the society, especially the marginalized and needy.
- To innovate the teaching-learning methods in tandem with the developments in the digital and information technology.
- To implant human, humane, patriotic and environmental values in students so as to make them socially committed and deeply responsible citizens.

The IQAC in consultation with the management and the College council drew up a **strategic plan** for the period 2021-2022. The plan drawn up is discussed under the following heads;

ACADEMIC

The college has drawn up an elaborate plan for the academic improvement. As per the plan, it is resolved in the combined meeting of the IQAC and management to start new programs in humanities and science. It has also been planned to digitize and make the most of information and communication technology and the vast possibilities of AI to revolutionize the teaching – learning process. Publication of the online research journal KTYLIST in print version is also planned by the college. The college is also planning to set up a facilitation centre to help the advanced learners who are interested to pursue their education in the prestigious universities abroad.

STRUCTURAL

strategy is devised for the merger of college with the self-financing college being run by the same management. Meaningful efforts are afoot to change the college in to an autonomous institution.

INFRASTRUCTURAL

The college is also drawing up plans for expanding infra structural facilities to house laboratories and class rooms in accordance with the growing student's strength. The major projects on the tapis are as follows;

- Expansion of college library building

- Construction of compound wall
- Men's hostel

COMMUNITY OUTREACH

The college resolved to widen the scope of the community outreach programs by covering newer areas and sections of the society. The major programs envisaged for the upcoming year are the following;

- House construction for the homeless
- Academic uplift of the orphan and destitute students.
- Malayalam and digital literacy to the migrant labours.
- Educational help to the residents around the college.

ENVIRONMENTAL

Environmental strategies for the coming year;

- Plastic free campus
- Herbal and Vegetable Garden.
- Flower garden
- Butterfly garden
- Campus forestation
- Paddy seed bank

THE THRUST AREAS OF VISION 22 WERE;

- Getting autonomous status.
- Shifting the college to another spacious campus
- Up gradation of the departments as research centers
- Introduction of new gen programs
- Infrastructural and library expansion
- Office automation
- Ramp up of sports and recreational amenities.
- Creating more facilities for skill acquisition and development.
- Programs for faculty developments
- Green Campus
- Energy and water conservation.
