# MA ARABIC

This Post Graduate Program in Arabic under credit semester system is designed with view to imparting to the students an advanced knowledge in Arabic Language and Literature. As different from the traditional M.A. Arabic course. This program while retaining the classical background and essential classical contents, lays greater emphasis on the teaching of and the practical training in the functional use of Arabic as a modern living language. The practical aspects of the Arabic Language as translation (both theory and practice), simultaneous interpretation, modern terminology and applied grammar are given due importance in the syllabi. As for the literature, its modern branches i.e., Novel, Short Story, Drama, Poetry and Modern Essay have been given adequate representation. In order to acquaint the students with the fundamentals of Computer knowledge and packages required for jobs in India and Arab countries, computer application with Arabic software has also been included in the syllabi. Thus, the program has been so designed as to serve not only as a scholastic and literary course, but also a modern and job-oriented course, in a comprehensive way.
