AIDS Awareness Rally

The NSS unit of Darunnajath Arabic College conducted an AIDS awareness rally on 1st December 2017 as a part of the World AIDS Day observation. The rally was flagged off from the campus by the principal Pro. Abdul Majeed KK, and was led by Dr. Muhammed Aslam NK, the Program officer. NSS volunteers, wearing the red ribbon and holding placards, took part in the rally. Reaching at Punnakkad, the participants chanted some anti-AIDS slogans and organized talks to create awareness among the local public against AIDS. The program lasted for one hour and witnessed by many people. There was an exhibition, put up by the club members, of posters and photos related to the topic. Altogether, the campaign was really in the limelight.

REPUBLIC DAY QUIZ

The Students Union of Darunnajath Arabic College conducted Quiz competition for the students of all the Najath institutes (DA College, NCST College, DHS School, Najath UP school, Sharia College), on 26th January 2018. The program was coordinated and led by Prof. Muhammed Musthefa. K, NSS program officer and faculty of Arabic. A two-member team from all the aforementioned institutes assembled at Darunnajath High School at 7 pm. The program was inaugurated by N.K. Abdu Rahiman, the manager of Najath. The team from Najath English Medium School won the first prize, and was honoured.

KARUVARAKUNDU PHC CLEANING

In consonance with Swach Bharath Mission launched by the Union Government, NSS Unit of Darunnajath Arabic College carried out a cleaning mission at Karuvarakundu Public Health Centre on 2nd October 2017. 2nd October is celebrated as Gandhijayanthi to honour the memory of the father of our nation who had a great vision about public sanity and cleanliness. The whole activity thereof was coordinated by the Program Officer Prof. Muhammed Aslam N.K. They spent five to six hours at the site cleaning and tidying things. 43 volunteers took part in this laudatory service.

FIGHT AGAINST DENGUE FEVER

Monsoon season always comes towing epidemics behind along it; people fall prey to these epidemics, mostly, due to ignorance and carelessness. This year it brought the deadly disease dengue fever which is spread by Aedes mosquito. Edifying people from time to time about the epidemics and their causes and consequences is always a laborious task for the local government. Understanding this particular demand from society, the NSS Unit of Darunnajath Arabic College prepared and distributed notice against disastrous and highly contagious dengue fever on 19th august 2017. Prof. Muhammed Aslam N.K, the program officer oversaw the whole program.

HEALTH AWARENESS IN SC. ST COLONY

To promote the health awareness, the NSS unit of KTM College of advanced studies organised a health awareness campaign in SC ST Colony, Poolakkunnu on 5th January 2019. The programme was inaugurated by the NSS programme officer, Muhammad Mustafa k, and welcome speech was proposed by Muhammad Aslam NK. The purpose of the camping was to sensitize the rural people about, how to take proper care of their health and the need of preventing diseases and promotion of health by practicing personal and environmental hygienic measures. A detailed talk on health issues and preventing measures was given by Dr: Muhammad Aslam e k. Also he proposed the need of eating balanced diet in day today life. After the class the NSS students conducted role play, quiz and group songs in local language to install awareness on prevention of diseases and promotion of health .
